

FIGHT BARNET'S CPZ RISES

URGENT
APPEAL FOR
DONATIONS

PLEASE HELP RAISE FUNDS AND AWARENESS FOR THE HIGH COURT FIGHT AHEAD

BARNET'S NEW CHARGES

WE PAY... FOR ALL OF BARNET

The aim of the new charges is to **increase revenue** from **CPZ residents** to help pay for road maintenance **across the borough of Barnet**. As most people in Barnet **do not** live in CPZs, this means CPZ residents are being **targeted** to fund road repairs across the borough!

WE ARE TAKING ACTION

A group of residents have formed the **Barnet CPZ Action Group**. They have issued **legal proceedings** on the basis that the increases in charges are driven by the need to raise **revenue**, and not by the need to regulate parking as they are permitted to do by law.

WE NEED YOUR HELP

The Barnet CPZ Action Group are **fundraising with some urgency**. They are calling on residents to give generously or to act as fundraiser along their road. If we win the case at court, we expect to **return the bulk of donations** - Please see our Donation Policy.

Help your
family and friends
avoid these...

CAN YOU SPARE £10, £20, £100 OR MORE?

Any donation will be extremely welcome. Please make cheques payable to '**Barnet CPZ Action**' and send them to:
88 Summerlee Avenue, East Finchley, London N2 9QH.
